Ellie^{The} Artist

Ellie Dawkins

Mara Pott

Unnat Lee

Ellie Dawkins, young artist in her early 20s, has come to London to move in with her online friend Mara to build her career in the creative capital.

Along with fan-favourite third character Unnat, this series features a wide cast of memorable and iconic characters. Not only is 'Ellie The Artist' a wholesome comedy drama, but something of a life manual for young people in Ellie's position. It's a love letter to the indie art community!

Mestrya is the Orbus take on the fantasy genre.

In Book I – with the first chapter available to read online for free – a boy named Krochus on the continent of Halithos is failing his school of magic and seems to be a little limited in regular skills.

When all Mestryan humans can perform magic as a biological ability, and his skills as an 18-year-old are subpar, it's cause for concern.

That's when the star fell to the beach...

As a warlock, you will be qualified for jobs in protection, law enforcement and mastering offensive hexes. But what most beginners tend to forget is the importance of learning about our world, its mechanisms, and its very nature. In order to better connect you with your surroundings, the broader view is crucial to making the right decisions when in moments of danger. To fight on a hill is one thing, but to evaluate how its result will ripple throughout the rest of Mestrya, in the moment, requires a fast mind, and an instinctively compassionate one. With that said, what is the world? Gonyar's scholar's description below...

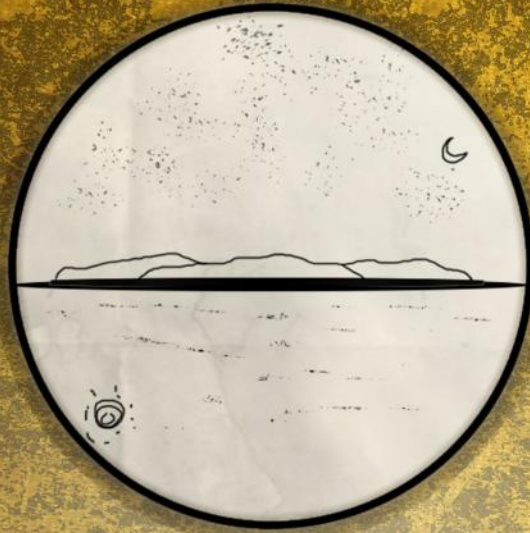

Trobb Forest
Southern Halithos
Mid-Morning

Trubbru Village

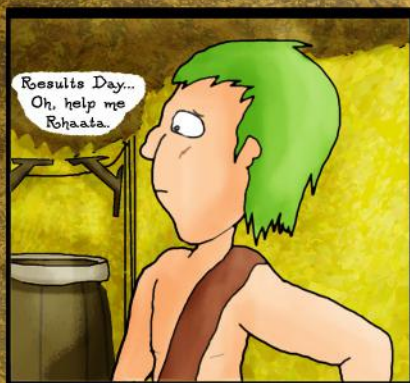

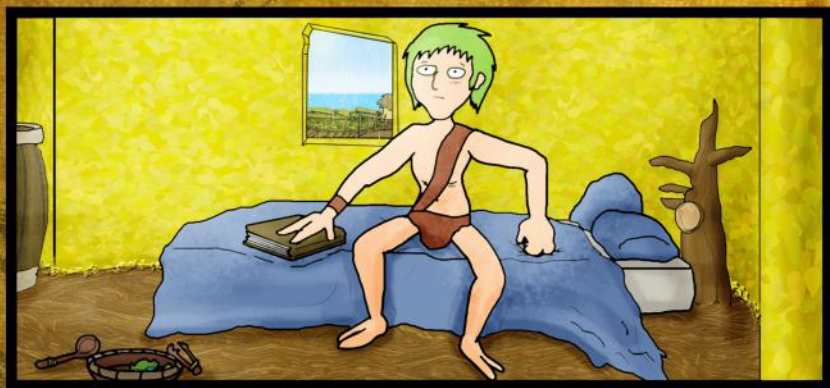

Mestrya

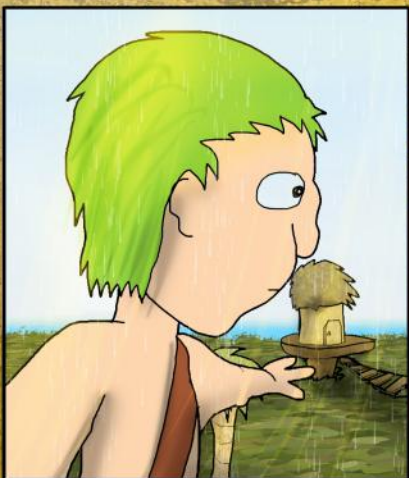

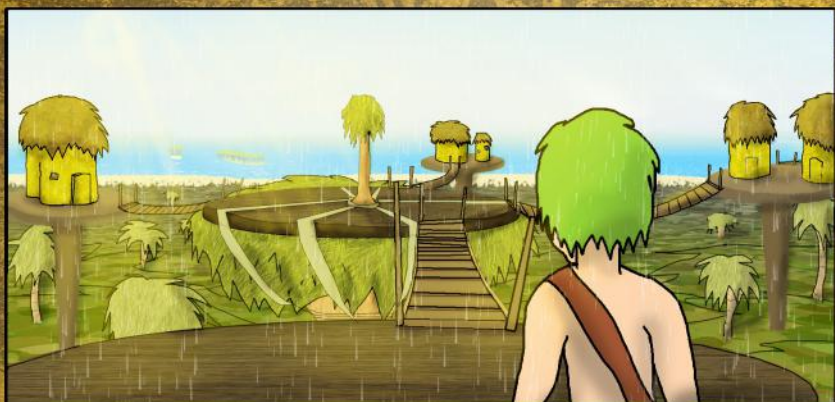

The world is a disk, encased in a hollow sphere. What we call the sky is what lines the inside of the top half of the sphere. Our grounds and oceans are what fills the lower half, and our good world lays horizontal in the centre. The sun and moon are objects ingrained into the rotating outer-rim of the sphere that affect the weather. We can only assume that the great god Rhaata constructed them himself in the first days of existence.

Hi there!

*Would you
like some,
Commie Fox?*

I know you mean well by creating this succulent confection, Hepburn... But you're forgetting the effect it has on our damn economy. The Capitalist People's Republic of Happy Flowery Fun Dreamy Cream Meddow has a long and dirty history in trading. The proletariat is continuously screwed over by the anti-revolutionary scumwhich run this damn meddow. We true working class cuddle-bugs must seize means of production, to replace the corrupt trading deals with Glory Flora Hills, and the Democratic People's Republic Of Honey-Filled Happy-Fuzzy Fart-Licker Mountain.

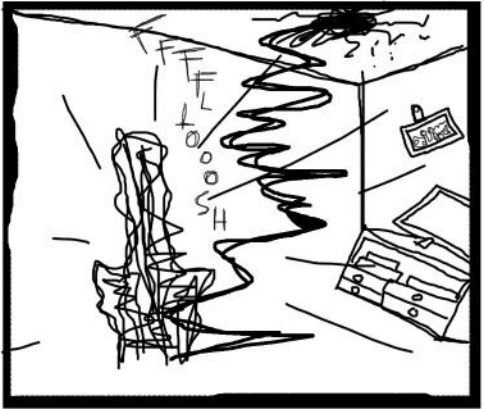

*Christ, he is such a twat...
Not today, Hepburn...
Not today...*

*Power to the
working class!*

**A 20th Century Adventure Tale

On A Globe Trot To Fight The
Ancient Monster, Catharsis**

SEARCH FOR CATHARSIS

"...AND AS THE LAST COUSINS OF HUMANITY WERE DYING OUT, ONE LONESOME CIVILISATION STOOD ON TOP OF THE MOUNTAINS OF INCAN GRANDFATHERS. A RACE OF PEOPLE, SO ISOLATED, THAT NO RECORDS SHOW 30,000 YEARS LATER. IT'S SAID THAT WHEN THE STORM CAME TO WIPE OUT THEIR CITY, THE PEOPLE STRUCK A DEAL WITH THEIR GODS TO BE PRESERVED IN SOME WAY. THEIR CULTURE WAS NOT TO BE FORGOTTEN AND SOMETHING HAD TO SURVIVE. AND SO THE GODS PLAYED A TRICK, SOMETHING NASTY ON THEIR LAST MOMENTS. THE STORM, LIGHTNING WITH NO SINGLE SHAPE AND RAIN SO VERY COARSE, WOULD CAPTURE THE THOUGHTS AND EMOTIONS OF ITS FIVE THOUSAND VICTIMS AS IT KILLED. THE STORM ITSELF, NOW WITH THE COMBINED TERRIFIED AND PANICKED CIVILISATION, WOULD BECOME A NEW LIFE ITSELF. LIKE THE STORM, FORMLESS AND DESTRUCTIVE, LIKE THE PEOPLE, IN TURMOIL AND PANIC, THE NEW BEING WOULD BE A MONSTER SURVIVOR OF THIS LOST CITY. IT'S NAME BEING AFTER ITS ESSENCE: CATHARSIS"

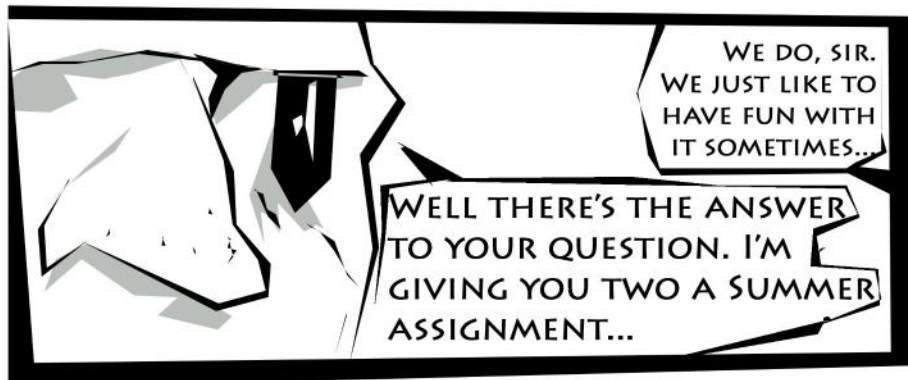

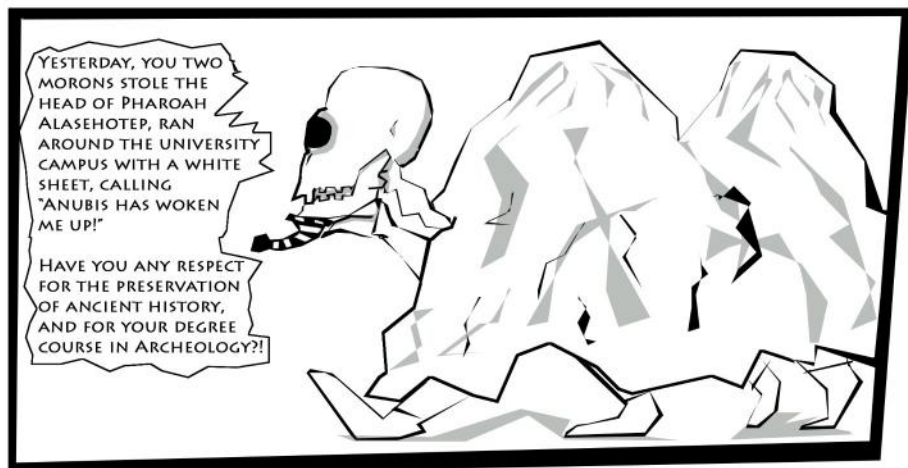

-DR. JACK HURT, 1963

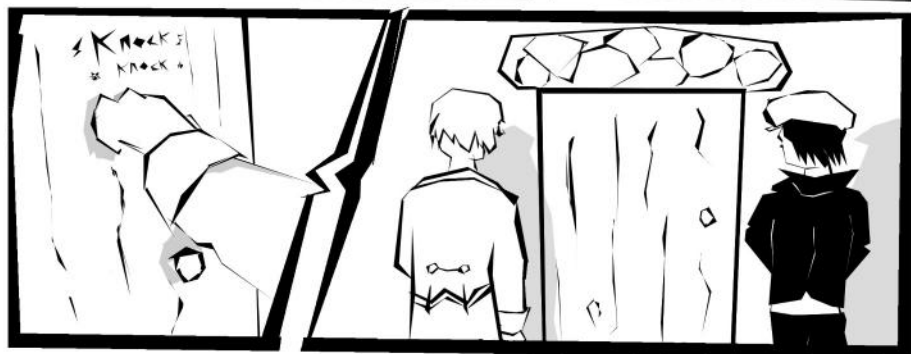

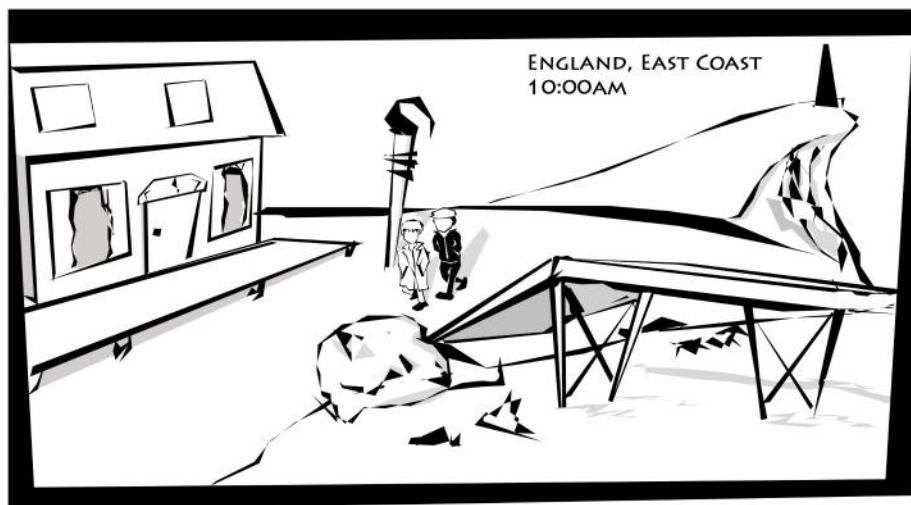

CHAPTER 0

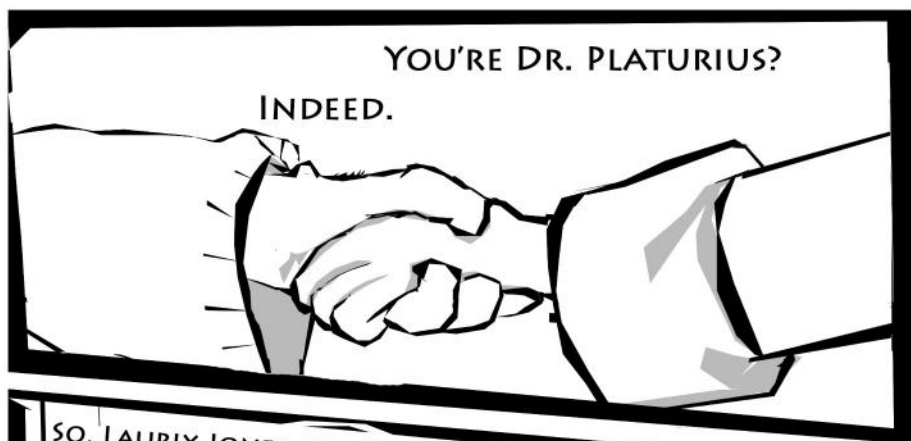

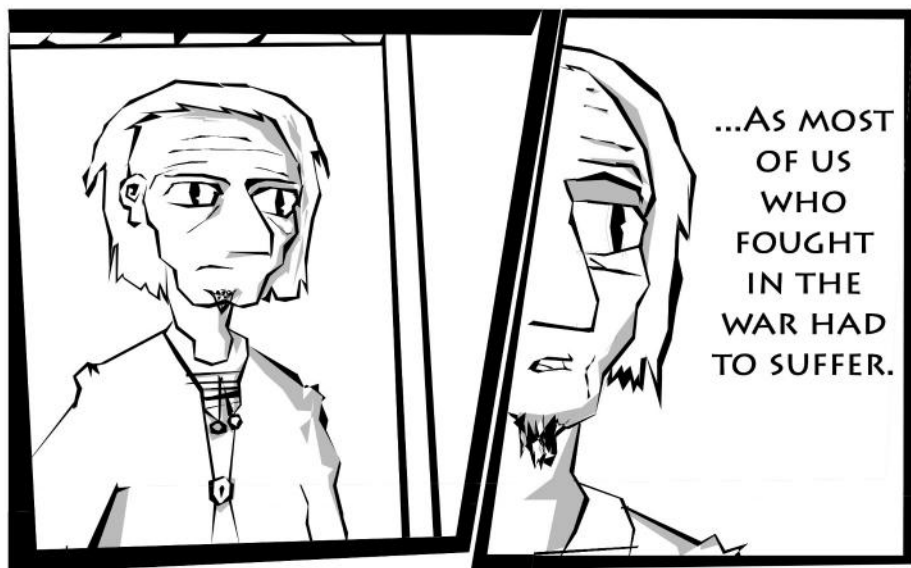

THE ANARCHEOLOGIST'S STUDY

MM-HMM. AS PART OF MY BUSINESS TRAINING, I'LL BE CREATING LIAISONS WITH PRIVATE FIRMS ACROSS THE WORLD. MUSEUMS, ARTEFACT DEALERS, RECORD KEEPERS, ANYONE WHO CAN GIVE ME INFORMATION TO PASS ON TO YOU, CONCERNING CATHARSIS.

WHOA HANG ON!
WHAT IS THIS JOB
WE'RE DOING, AND
WHAT THE HELL
IS CATHARSIS?!

LIKE DR. JACK
HURT'S SCRIP-
TURE SAID.
CATHARSIS IS
AN ANCIENT
CREATURE OF DESTRU-
CTION.
FOR 30,000
YEARS IT'S
CAUSED HAVOC
ACROSS THE
WORLD. OUR JOB
IS TO TRAVEL THE GLOBE
TO FIND IT.

HAHA WHAT?!
ALL THAT STUFF
ISN'T REAL, COME
ON NOW.

OKAY...
2,000 BC, THE NILE
HAD A FREAK TIDAL WAVE
ACROSS GIZA. 135 BC,
LIGHTNING BOLT HITS
JERUSALEM PALACE. 400 AD,
THE FORGOTTEN FIRE OF ROME.
UNCLEAR MEDIEVAL
DATE, 3 CHEROKEE
VILLAGES BURNT TO
THE GROUND...

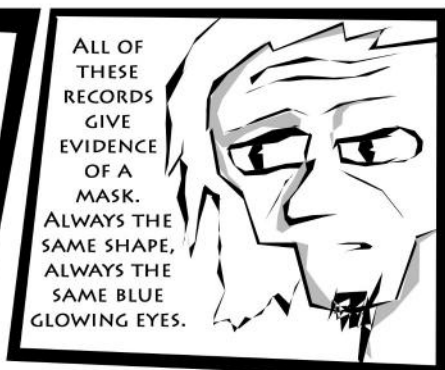

1745, 14 CHINESE NAVY SHIPS SUNK.
1804, ENTIRE POPULATION OF AN AUSTRALIAN
ABORIGINAL TRIBE WIPED OUT.
1890, BRITISH COLONY IN INDIA RANSACKED.
1909, STORM WAVES IN RIO CAUSE 43 DEATHS.
1944, NAZI AIR SQUADRON KNOCKED OUT THE SKY BY
BLACK LIGHTNING OVER THE DUTCH BORDER.

ARE YOU SURE
YOU DIDN'T
JUST LIST A
BUNCH OF
RANDOM
DISASTERS?

ALL OF
THESE
RECORDS
GIVE
EVIDENCE
OF A
MASK.
ALWAYS THE
SAME SHAPE,
ALWAYS THE
SAME BLUE
GLOWING EYES.

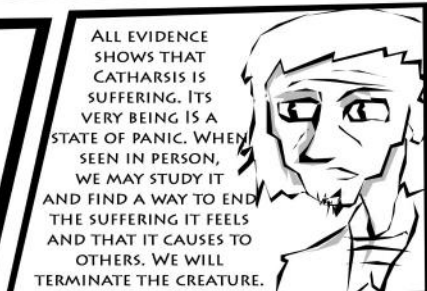

ARTWORK FROM ALL OVER THE WORLD
DESCRIBES IT. A MASK OF DARK CERAMICS
OR METAL WITH EYES LIKE A LIGHTHOUSE.

AND A FLUID
SHAPESHIFTING
BODY OF BLACK OIL,
LIGHTNING,
AND SEA WATER.

YOU'RE SAYING THE
UNIVERSITY OF
LANCASHIRE IS
FUNDING A GLOBE
TROT TO SEARCH
FOR A MYTHICAL
BEAST? RIGHT...
AND WHAT DO WE
DO IF WE FIND THIS
CATHARSIS FELLA?

ALL EVIDENCE
SHOWS THAT
CATHARSIS IS
SUFFERING. ITS
VERY BEING IS A
STATE OF PANIC. WHEN
SEEN IN PERSON,
WE MAY STUDY IT
AND FIND A WAY TO END
THE SUFFERING IT FEELS
AND THAT IT CAUSES TO
OTHERS. WE WILL
TERMINATE THE CREATURE.

SO FOR
MESSING
UP AT
UNI...

THIS JOB
IS OUR
PUNISH-
MENT?

NO. THIS IS NOT A PUNISHMENT.
IT IS A WELCOME TO THE
UNDERWORLD OF ANARCHEOLOGY.

OF WHAT?

ANAR CHEO LOGY

THE PRACTICE OF PERFORMING EXPEDITIONS, ESCAPADES AND RAIDS WITHOUT PERMISSION FROM THE GOVERNMENT, BUT WITH OTHERWISE ATTAINED LICENSES FOR UNIVERSAL VEHICLE JACKING, FREEDOM OF INFORMATION IN MOST CLASSIFIED AREAS AND THE POSSESSION OF WEAPONS AND FIREARMS.

CATHARSIS

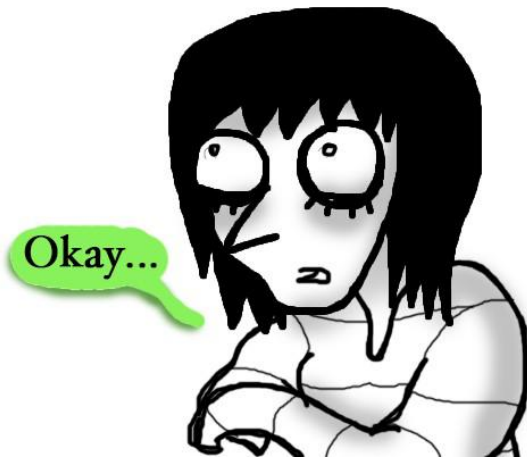

A dark, metallic, cross-shaped artifact with glowing cyan eyes and mouth, surrounded by pink lightning bolts.
